What do you like about the storytelling session?

Kumquats

What do you NOT like?

The fact that it seems quite immature

How could the session be improved?

Make it appropriate for older people.

Feedback on the Storytelling

What do you like about the storytelling session?

I liked it when we all said one word then we passed it on to the other person and we made a massive story

What do you NOT like?

I found it a bit patronising with the stories, it was abit babyish

How could the session be improved?

We could make a better storyline or make stories with the one word thing because that was quite good.

Feedback on the Storytelling

What do you like about the storytelling session?

That its a group to do.

What do you NOT like?

It's boring, not age appropriate.

How could the session be improved?

make it more interesting, aim it at teenagers

Feedback on the Storytelling

What do you like about the storytelling session?

Everyone had a chance to contribute their ideas towards developing a group story

What do you NOT like?

I thought it was slightly young for the age group of people doing the group

How could the session be improved?

We could use more exciting stimulus material to develop stories from perhaps.
